The Survey Supdt recommends his appointment as an Asst. Supdt in the Survey Dept.

A note regarding the possibility of reducing an Office place in the Survey Dept has been submitted separately to the Dewan. The question of promoting Mr. Rajagopal to an Asst Supdt's place by abolishing the post of the Sub-Asst Supdt altogether, may perhaps be considered along with that note.

The which facts are as follows:-
The Scale for the Survey Dept. is now beside the Supdt and Dy Supdt is 6 Asst Supts (3 civilian and 3 non-civilian) and 1 Sub asst Supdt. The ~~places~~ Posts of the three non-civilian Asst Supts have been permanently filled up. But against 3 civilian Asst Supts, there are 2 in the Dept, and Mr Muddukrishnayya, a non-civil service officer, was acting in the 3rd vacancy.

When Mr Muddukrishnayya's services with Rev. Dept, the Diwan was pleased to enquire if there was a possibility of retrenching his place. The present order is the outcome of the Enquiry. The post of 1 Sub asst Supt is ordered to be abolished. That means there will be only 6 Asst Supts hereafter 3 civilian, and 3 non-civilian. But before this order could be passed, Mr Syed Abdul Khalak, Amildar of Chennapatna was appointed to act in the place of Mr Muddukrishnayya

in the Civilian vacancy. Mr C. Rajagopal who happens to be the Office Asst now is a Sub Asst Supdt; and Mr Khalak is the Headquarters Officer in charge of records: In the order passed, these two posts are combined into an Asst Supdt's charge with a tentage of Rs 37½. Hence one of the two Officers has to be sent out of the Dept. The proposal of the Survey Supdt is that Mr C. Rajagopal may be promoted as Asst Supdt that means Mr Khalak has to be transferred out of the Dept. There seems to be no other way because Mr Rajagopal is a Dept Officer. Unless Mr Khalak is transferred and Mr Rajagopal appointed as Asst Supdt in the Civilian vacancy available Mr Rajagopal cannot draw his pay, because the post of Sub Asst Supdt is abolished.

The draft order suggests the solution which is now possible and it may be issued. The solution is however temporary and the final disposal of the matter has to be arranged for as early as possible. From

Superintendent,
Revenue Survey & Settlement in Mysore.

To

K. V. Anantaraman, Esq., B.A.,
Secretary to Government, Revenue Department.

Sir,

I have the honour to forward a representation from Mr. C. Rajagopal, Sub-Assistant Superintendent, Revenue Survey, for the favourable consideration and orders of Government.

He is the only officer in the Department who did not get any benefit from the recent reorganisation order and as such he seems to feel his position keenly. In view of the reasons urged by him I beg to suggest that he may be promoted to the rank of Assistant Superintendent like his colleagues, Messrs. Krishnaswami and Venkataswami.

I have the honour to be,
Sir,
Your most obedient servant,

OFFICE OF THE SUPERINTENDENT
MYSORE REVENUE SURVEY
No. Fyl 1728
DATE 29.6.25

To,

The Superintendent,

Revenue Survey and

Settlement Department in Mysore,

BANGALORE.

Sir,

I have the honor to state that I was appointed a Survey Officer on Rs.125/- on probation for one year - with a promise that my further promotion and position in the Department would be settled at the time of my confirmation, vide Government Order No. 9587/8 L.S.31-17-4 dated 16th March 1918.

Three months later, when proposals regarding my designation and work were sent up to Government, the -- Government were pleased to order in G. O. No.12191-2/L.S 31-17-16 dated 17th June 1918, "that as I had put in -- some service under Madras Government and known my work, I should not be classed among the probationers but styled as Additional Survey Officer, and put in-charge of Inam Service, Boundary Settlement and other miscellaneous work and also supervise the work of District Surveyors". This is what will ordinarily be entrusted to Officers possessing good experience of Revenue Survey Work.

At the time of my entertainment in the State Service, I was started on Rs.125/- against Rs.100/- then drawn by the probationers. While I was anxiously looking

looking forward for a better start, than the then probationers, a severe blow was dealt out to me by placing me last in the list of Survey Officers.

Under the new reorganisation Rules of the Civil Service, number of Subordinate Gazetted Officers required for the Revenue Survey Department, excluding the Office Assistant, has been fixed at six. The total number of the officers of the Department, excluding the Superintendent and the Deputy Superintendent, has been fixed accordingly at 7, 6 of whom to be the rank of Assistant Superintendents, and one of Sub Assistant Superintendent.

I have been in-charge of the Field Establishment ever since the termination of my period of probation in Mysore (not taking into account my being in-charge of Field Establishments for nearly 5 years in Madras Service) I have also been deputed on important duties, connected with the settlement of the frontiers/ boundary disputes on more than one occasion.

Besides these, I have the advantage of foreign training in the Madras Revenue Survey Department and passed the several Departmental Tests qualifying me for the superior grades of service. I have worked in the several Districts of the Madras Presidency in independant charge of Sections. (North Arcot, Chittore, Nellore and Tanjore).

I have reiterated at some great length my claims for consideration at the hands of the Government, as I feel deeply hurt in so far as I have been assigned a place lower than the probationers who were entertained 5 years after I had entered my service in Madras. This treatment which I feel I hardly deserve, has been to me a great disappoint-

disappointment.

My hopes of betterment have been blasted by the recent order, which, while securing promotions to several of my colleagues, once my juniors, has left me in a position in which I started at the time of my confirmation 5 years ago.

My success in the several departmental tests in the Madras Revenue Survey Department, the experience gained both here and abroad by being placed in independant charge of Field Establishments will, I hope, be viewed by Government in its true perspective while considering my application for a better treatment.

The loyal and conscientious discharge of my official duties in whatever place of trust I was deputed to, makes me hope that I shall not be appealing to you in vain when I request you to kindly refer my case to Government for a review of their previous orders and to include me in the list of Assistant Superintendents, giving me my proper place in the Department.

I have the honor to be,

Sir,
